ARTS**  
dance studio

Dear Students, Parents, Families and Friends,

I would like to welcome everyone to the Tap 'n Arts Dance Studio's 24th annual dance show, Steppin' Out '14.

This year's show is dedicated to Barbara Ipjian. She has always been there for me, my family and the studio every step of the way. If friends are family we choose ourselves, she has been family for the past 22 years. Here is hoping for nothing less than 22 more years full of wonderful memories! Barb, I love and thank you very, very much!

We've been extremely blessed this dance season! All of our students have worked extremely hard this year in class learning both technique and routines. I am very excited for you to watch them showcase their abilities and talent.

Tonight we're saying good-bye to eleven of our graduating seniors, Liana Baerga, Savannah Carter, Kyla Gemmell, Bre Hopkins, Theresa Ipjian, Jennifer Lara, Lauren Rittle, Ashley Sapen, Emily Sapen, Kimmie Sobers and Hanna Wilson. We wish them the best of luck and much success in their exciting new chapters of life.

Finally, I would like to sincerely thank all of you for the love and support given to all of our students this past dance season. May GOD bless you, all of our students, parents, families and friends. Let us praise HIS name with the art of dance and the performing arts.

Always remember to dance like there's nobody watching, sing as if no one is listening, love like you've never been hurt and live like it's Heaven on Earth!

Keep on Dancin',  
Kristin Foltz Petrou

- We include full titling and credits as well as chapter points for each number in the performance. A chapter listing on the DVD case helps direct you to the right chapter.
- We provide 100% color DVDs and full-size library cases.

Tap 'n Arts

It has been 22 years since the first Ippian graced the Tap 'n Arts stage! How do we say **"Thank You"** for a lifetime of memories? How do we express gratitude beyond words? Perhaps it is in the approximate 156 pairs of dance shoes that have been worn, or the little pink ballet costume, one of hundreds, stored in the basement. It could be reflected in the hours spent practicing and in class. Maybe, it is in the dancing through the pain of a pulled muscle, the joy of mastering a skill, pushing until the jump is higher, and the turn-out **PERFECT**, the sound of the tap concise. Dance is in the sharing of life's everyday moments. Success and failure, knowing all the while, **DANCE IS A CONSTANT!** It is an outlet for the emotions that are too forceful to contain. There will **NEVER** be sufficient words to explain how much our years at Tap 'n Arts has filled out lives with many emotions. Through the years, we have experienced **MANY** life altering events, including births, accidents and even death. It has been comforting knowing that our extended family is there to support us! So, as the **LAST** Ippian steps onto the stage for the last time, savor the moment and enjoy the show. As she dances it will be a thank you to the students who came before, who inspired us to be stars! Thank you to the teachers, past & present, who instilled the love of dance in our hearts and for the dedication to the art! Thank you to the entire Foltz family, especially Steve Foltz (who we miss every day), KAN-DANCE Foltz and Kristin Foltz Petrou for allowing us to become family. Lastly, thank you GOD for all of our blessings.

***"Out of the fullness of His grace, He has blessed us all,  
giving us one blessing after another," John 1:16***

**Words are not sufficient,  
so we will thank you in dance.**

*"Believe in yourself.. All things are possible if you believe."*

# Theresa Nicole,

“Why fit in when you were born to stand out?” Dr. Suess  
You were two when you would watch the ‘big girls’ as they  
rehearsed “Chicago’s- All That Jazz”. As they learned the  
number, you learned and by the end of the season you  
could sing the entire song and could do most of the dance.  
From then on, you have been filling our lives with your gifts  
of song and dance.

Your first performance on the Tap ‘n Arts stage, Mr. Bear  
(as you called him), was secure in your arms, dancing with  
you to “Me and My Teddy Bear”. Tonight, as you “Live for  
the Applause”, we can close our eyes and picture that little  
tapper so many years ago, growing up before us on stage.  
Blossoming into a beautiful young lady poised with grace!  
As you move into the next “stage”, remember that the simple  
moments in life are priceless. We will miss the sound of  
your beautiful voice and the “noise” of your taps when you  
leave for UMASS, we will be there supporting you along the  
way, watching you **DEFY GRAVITY!**

*“Something has changed within me,  
Something is not the same-  
I’m through with playing by the rules of someone else’s game  
Too late for second guessing  
Too late to go back to sleep  
It’s time to trust my instincts  
Close my eyes and leap.  
It’s time to try  
Defying gravity  
I think I’ll try defying gravity  
And you can’t pull me down!”*

Theresa, your future is **UNLIMITED!**  
With all our love,  
Mom, Dad, Brianna, Alainna  
Rebecca, Adam and Kevin

# Princess CAMP

Once upon a time in a land not so far away, the **Tap 'n Arts Dance Studio** decided to hold a Princess Camp.

Young Princesses from near & far will come dressed as their favorite Princess or ballerina. Together they will sing, dance, play games, make arts 'n crafts and attend a very special tea party.

Every Princess will receive a t-shirt, tiara and magic wand. You just never know if one of our Princess friends will stop by for fun and photographs.

We would absolutely love for your beautiful Princess to dance their way into our fairytale!

**Dates:** June 23 - 27, 2014

**Cost:** \$100 per Princess

**Time:** 9:00 a.m. - 11:30 a.m.

**Ages:** 3 - 6 years old
