Dear Students, Parents, Families and Friends,

It is with great honor and privilege that I welcome you to Tap 'n Arts Dance Studio's 29th annual dance show, *Steppin' Out '19*. We've had an amazing, fun-filled year and can't wait for you to see them shine today. I am extremely proud of all our dancers and excited to see them perform on the Forum Auditorium stage.

We are always learning, thinking and trying new ideas, classes and activities. This year we took ideas from our week long Summer camps and broke them down into several highly successful "One Day, Fun Day" camps such as our various Princess Camps, JoJo's BowBow Dance Camp, Vampirina Ballerina Dancelvania Camp, Polar Express Pajama Party and several Fortnite Dance Parties, including for the very first time classes for ALL BOYS, where students competed in Dance Battle Royales for a chance to win their very own Boogie Bomb. We look forward to having even more "One Day, Fun Day" camps this Summer and throughout our 30th anniversary year.

Besides our "One Day, Fun Day" camps, we also created an all new "Mommy and Me" style class for students between the ages of 18 to 24 months called Tiny Tots. Through the use of dance, activities, movement and music, students have fun improving their gross motor skills, coordination and social skills in a family friendly dance class environment. Our Summer sessions, including Tiny Tots, begins the week of Monday, June 17, 2019.

I would like to take a moment and sincerely thank the amazing Tap 'n Arts Dance Studio faculty and staff. They always go above and beyond to try and ensure that every student has a fun and educational dance experience. They always make me proud. So, I would like to thank each and every one of them from the bottom of my heart for all that you do not only for me and the dance studio, but also all of our fantastic students.

I want to thank my husband, Craig, for being my rock and one of my biggest fans and supporters. I also want to thank my Mother, Kandace Foltz, who instilled the love of music and dance in my heart. She is also my rock and one of my biggest supporters. I would sincerely like to thank you both - I absolutely love you!

Last, but certainly not least, I want to thank my twins plus one, Gianna, Stephen and Anthony. I know that it can get hard and frustrating, but thank you for sharing your Mamma with so many other little boys and girls. You all do it with such grace. I am beyond proud of all three of you and can't wait to see you shine like the stars that you are! I love you with the purplest passion and more than you will ever know.

Today we have nine graduating seniors that will be taking their final bows on the Forum Auditorium stage, **McKenna Anspach, Savanna Collins, Jennifer Delaney, Kayden Johnson, Madison Kolakowski, Taylor Lingle, Victoria Long, Rylie Matson and Nyah Robertson**. We all wish them the very best of luck, happiness and success in the next exciting chapter of their lives. We want them to remember that they will always have a home with their Tap 'n Arts Dance Studio family!

Finally, we would sincerely like to thank all of you for the love and support given to all of our students, faculty and staff this entire year. May GOD bless all of you, our students, their parents, families and friends. Let us praise His name with the art of dance. Always remember to dance like there's nobody watching, sing as if no one is listening, love like you've never been hurt and live like it's Heaven on Earth!

Keep on Dancin',

**You're a natural on the stage.**

**Love always,  
Dad & Mom**

Kayden and Maddi,

I cannot believe tonight is your senior performance. Words cannot express how grateful I am to watch the two of you grow up to not only be beautiful dancers, but to become amazing young women. I am going to miss you both more than you know next dance season. But I will forever keep our dance memories in my heart.

From you becoming my assistants to all the laughs in the many car rides to the Forum. (You know our car rides are my favorite!) Thank you both for all you have done for me. Tonight is your night, so go out there and do what you do best. Rock that stage girls! I love you both very much and am so proud.

Good luck at college next year and always remember,  
***“When you get the choice to sit it out or dance, I hope you dance.”***

Any kind of dancing is better than no dancing at all.

Believe in your heart that you are meant to live a life full of PASSION, PURPOSE, MAGIC and MIRACLES.

Daily dance uplifts the soul to spiritual realms.

Dance is the hidden language of the soul.

Dance like nobody is watching, because they are not, they are all checking their phones.

Dancing is a perpendicular expression of a horizontal desire.

Dancing is creating a sculpture that is visible only for a moment.

Every day brings a chance for you to draw in a breath, kick off your shoes and dance.

Hand in hand, on the edge of the sand, they danced by the light of the moon.

Nobody cares if you can't dance well. Just get up and dance. Great dancers are great because of their passion.

Sing like no one is listening. Dance like nobody's watching. Live like it's heaven on Earth.

The job of feet is walking, but their hobby is dancing.

Those who were seen dancing were thought to be insane by those who could not hear the music.

When you dance, you can enjoy the luxury of being you.
